### REQUEST FOR PAGE-LIMIT EXTENTION

Joseph W. Wade v. Robert J. Rodriguez, in his official capacity as Secretary of State, New York Department of State, 23 Civ. 4707 (PAE)

Dear Judge Engelmayer and Judge Cave,

I write to respectfully request an extension of the page-limit for the Plaintiff's anticipated Amended Complaint to 52 pages.

There have been no previous requests for extensions by the Plaintiff. On November 16, 2023 the Defense was issued a page extension for their motion to dismiss.

The reason for this request is that to fully articulate the matter at hand the Plaintiff requires extra pages. This brief extension will allow adequate space to finalize adequately the complaints against the defending parties. At this time, the defendant has not answered or consented to my request for an extension of the page-limit, although they have not expressly refused consent either.

Respectfully submitted,

Joseph Wade
